Help today ' s advanced accounting learners master the theory and practice they need for professional success with Fischer/Taylor/Cheng ' s ADVANCED ACCOUNTING, 12E. This leading text offers readers the most authoritative, comprehensive coverage of advanced accounting topics available. This edition explores the latest FASB statements and their impact on consolidations. The authors combine sound theoretical foundations with a hands-on approach using numerous actual examples common in today ' s accounting. The text ' s proven focus on conceptual understanding and clear presentation style make even the most complex topics approachable. New and revised end-of-chapter questions reinforce major concepts from each chapter and challenge students to expand their critical thinking and reasoning skills. Only ADVANCED ACCOUNTING, 12E uses a horizontal approach to consolidations, the format most commonly used in today ' s business world. A trusted preparation resource for the CPA exam, ADVANCED ACCOUNTING, 12E provides the knowledge today ' s learners need for ongoing accounting success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The approach used by Hoyle, Schaefer, and Doupnik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.
