History of the Present is a journal devoted to history as a critical endeavor. Its aim is twofold: to create a space in which scholars can reflect on the role history plays in making categories of contemporary debate appear inevitable, natural, or culturally necessary; and to publish work that calls into question certainties about the relationship between past and present that are taken for granted by the majority of practicing historians.

Duke University Press - History of the Present

History of the Present is a peer-reviewed interdisciplinary journal, with issues appearing in the fall and spring.

History of the Present | A Journal of Critical History | Home

History of the Present continues the work that Garton Ash began with his trilogy of books about Central Europe in the 1980s, combining the crafts of journalism and history. In his Introduction, he argues that we should not wait until the archives are opened before starting to write the history of our own times. Then he shows how it can be done.

History of the Present: Essays, Sketches, and Dispatches ...

In this article Michel Foucault ' s method of writing a " history of the present " is explained, together with its critical objectives and its difference from conventional historiography. Foucault ' s shift from a style of historical research and analysis conceived as " archaeology " to one understood as " genealogy " is also discussed, showing how the history of the present deploys genealogical inquiry and the uncovering of hidden conflicts and contexts as a means of re-valuing the ...

UI Press | Journals | History of the Present

"History of the present" lies in a Three Country Corner between journalism, history, and literature. Such frontier areas are always interesting but often tense. Sometimes working in this one feels...

History of the Present - The New York Times

What is involved in writing a history of the present? It's not quite the oxymoron it may appear to be. It is often enough that we find ourselves in the middle of complicated, confusing, and interwoven events locally, regionally, or globally -- events that require much the same sort of conceptual and integrative work that the Manchu conquest of China or the Odessa mutiny requires for the traditional historian.

Understanding Society: History of the present

History of the Present is a peer-reviewed interdisciplinary journal, with issues appearing in the fall and spring.

History of the Present | A Journal of Critical History ...

History of Present Illness (HPI) Obtaining an accurate history is the critical first step in determining the etiology of a patient's problem. A large percentage of the time, you will actually be able to make a diagnosis based on the history alone. The value of the history, of course, will depend on your ability to elicit relevant information.

History of Present Illness (HPI)

History of the Present continues the work that Garton Ash began with his trilogy of books about Central Europe in the 1980s, combining the crafts of journalism and history. In his Introduction, he argues that we should not wait until the archives are opened before starting to write the history of our own times.

History of the Present: Essays, Sketches, and Dispatches ...

Counter-History of the Present is also an occasion for critical reflection on a series of theoretical categories (beginning with that of history) that dominant contemporary thought employs in an apologetic and often Eurocentric sense.

Duke University Press - Counter-History of the Present

My answer to that is by looking back to the past to what is called history, we can better understand the present and predict the future. With history we can track our origins and compare past...

History can help us understand present, predict future

The history of the United States from 2008 to the present began with the collapse of the housing bubble, which led to the Great Recession, and helped the Democrats win the presidency in 2008 with the election of Barack Obama, the country's first African-American president. The government issued large loans and enacted economic stimulus packages that aimed to improve the economy.

History of the United States (2008 — present) - Wikipedia

The history of protest and revolt in the United States is inextricably linked with the racial violence detailed above. Prior to the Civil War, enslaved individuals rarely revolted outright.

The History of Racism in America | History | Smithsonian ...

In linguistics and rhetoric, the historical present or historic present, also called dramatic present or narrative present, is the employment of the present tense when narrating past events.

Historical present - Wikipedia

Using a compelling narrative format, DK's History untangles the common threads and forces that have shaped the past and informed the present to show that ours is a history including genes and viruses - not just battles and treaties. This updated and expanded third edition includes coverage of contemporary issues, such as climate change, economic developments, the rise of social media, and more.
