AAPC's CRC® Certification Study guide is specifically designed to help individuals prepare for the CRC® exam. The chapters will guide you through a review of ICD-10-CM documentation and coding, risk adjustment models, predictive modeling and quality of care, how risk adjustment relates to medical financial matters, clinical documentation barriers, and frequently coded conditions in risk adjustment models. The study guide covers all the content sections found on the exam and will also provide you with testing tips for taking the AAPC's CRC® exam. The study guide is not an introduction to coding but a review of coding concepts. Key Features: - Practical Examples - Testing Techniques for CRC® exam - Questions designed to mimic the CRC® certification exam - Each chapter includes ten review questions geared to test important coding concepts - 50 Test your Knowledge questions with answers and rationales AAPC's CRC® Online Practice Exams are highly recommended to supplement this study guide. These online practice exams will add an additional 150 questions to your preparation.

The 2011 CPC® CERTIFICATION STUDY GUIDE delivers a comprehensive review for students preparing to take the AAPC CPC Certification exam. Beginning with a complete summary of the business of medicine, the study guide ensures students have a solid understanding of the medical office and the role the coder plays in the medical office. This study guide covers ICD-9-CM guidelines using real-life examples and each body system is reviewed, including coverage of the anatomy, related diagnosis coding, CPT® coding, HCPCS Level II coding, and modifiers. The end-of-chapter questions are modeled after those on the actual certification exam to help students thoroughly prepare, while operative notes for them to code provide a brief practicum experience. Finally, the 2011 CPC® Certification Study Guide contains additional testing techniques and a 35-question practice exam for students to put their skills to the test.

AAPC's CIC® Certification Study guide is specifically designed to help individuals prepare for the CIC® exam. Twelve chapters will guide you through a review of anatomy, and terminology, ICD-10-CM and ICD-10-PCS diagnosis and procedure coding for acute care facilities, outpatient reimbursement concepts, and inpatient reimbursement concepts. This covers all the content sections found on the exam and will also provide you with testing tips for taking the AAPC's CIC® exam. The study guide is not an introduction to coding but a review of coding concepts. Key Features: - Anatomy and Medical Terminology Review - Practical Examples - Testing Techniques for CIC® exam - Questions designed to mimic the CIC® certification exam - Each chapter includes ten review questions geared to test important coding concepts - Study guide written by same task force who wrote the CIC® exam - Practice exam including 20 question multiple choice and 5 fill-in-the-blank coding cases with answers and rationales AAPC's CIC® Online Practice Exams are highly recommended to supplement this study guide. These online practice exams will add an additional 60 multiple choice questions and 10 fill-in-the-blank coding cases to your preparation.

AAPC's CPCO® certification study guide is specifically designed to help individuals prepare for the CPCO® exam. Twelve chapters will cover all the exam sections: a history of compliance, OIG compliance program guidance, HIPAA, EMTALA, CLIA, OSHA, and other key enforcement laws. Test taking techniques are also included to optimize exam preparation. Key Features: - History of compliance in the United States - OIG Compliance Program Guidance - Key enforcement laws including human resources - Practical examples - Testing techniques for CPCO® exam - Questions designed to mimic the CPCO® certification exam - Review questions geared to test important concepts for each chapter - 90+ questions with answers and rationales AAPC's CPCO® Online Practice Exam is highly recommended to supplement this study guide. This online practice exam will add 50 questions to your preparation.
