There's always two sides to a story, even a love story that contains disastrous dates, misunderstandings, Spaghetti Bolognese and an encounter with 'Slutty Susan'. Ruby is desperate to find love, so much so that she's been eyeing up the local one-eyed postman as a potential match. However, the call of 'Down Under' is beckoning and she feels that her luck in life and love might change. Ryan on the other hand doesn't do love, it's a word that means very little to him. He enjoys making the most of the local 'talent' in Sydney and feels satisfied with his bachelor and luxurious lifestyle he leads. That is, until he meets Ruby...

Decolonizing Anarchism examines the history of South Asian struggles against colonialism and neocolonialism, highlighting lesser-known dissidents as well as iconic figures. What emerges is an alternate narrative of decolonization, in which liberation is not defined by the achievement of a nation-state. Author Maia Ramnath suggests that the anarchist vision of an alternate society closely echoes the concept of total decolonization on the political, economic, social, cultural, and psychological planes. Decolonizing Anarchism facilitates more than a reinterpretation of the history of anticolonialism; it also supplies insight into the meaning of anarchism itself. Praise for Decolonizing Anarchism: "Maia Ramnath offers a refreshingly different perspective on anticolonial movements in India, not only by focusing on little-remembered anarchist exiles such as Har Dayal, Mukerji and Acharya but more important, highlighting

the persistent trend that sought to strengthen autonomous local communities against the modern nation-state. A superbly original book."—Partha Chatterjee, author of Lineages of Political Society: Studies in Post-colonial Democracy "[Ramnath] audaciously reframes the dominant narrative of Indian radicalism by detailing its explosive and ongoing symbiosis with decolonial anarchism."—Dylan Rodríguez, author of Suspended Apocalypse: White Supremacy, Genocide, and the Filipino Condition

Debian GNU/Linux is one of the major Linux distributions available today. It is known as the most open" of the Linux distributions -- for its commitment to the free software principals, and its community-centricism. It is also known for its tradition of high-quality packages and package management tools, as well as its focus on security issues. Debian GNU/Linux(r) Bible focuses on common apps, GUIs, networking, and system administration. The Debian Project's Internet-based development model has helped the distribution achieve unparalleled Internet functionality. One of the most popular features in Debian GNU/Linux is "apt-get," which automates free network downloads of all software package updates, making the Debian CD the last CD you will ever need to keep your system up-to-date with Linux."

Jelly is as surprised as anyone when he decides that he's going to win the annual sixth grade speech contest. Just like that, Joe Alton Miles, better known as Jelly (because his initials are J.A.M. and his best friend's are P.B.), is faced with overcoming not only his terror of being in the spotlight, but also the wrath of smart, popular Victoria, who believes that the prize (like all prizes) is rightfully hers. At first, Jelly only cares about winning the awesome prize (a new tablet), but as Victoria escalates her campaign against him, Jelly begins to realize that it's not only the prize that's at stake, but also his reputation, his self-respect and the friendship he values most. Jelly must dig deep inside himself to find out if he's strong enough to stand up to Victoria and show everyone what he's really capable of. Hilariously funny and just as poignant, Speechless is about finding out who your friends are, giving back, standing up to bullying and finding your own unique voice.
