Living safely among the dead for so long can make you let your guard down. You forget how dangerous they truly are. Mistakes are made... lives are lost.

This groundbreaking book moves beyond the conventional association of dramaturgy with plays to consider the substance and process of dramaturgy for dance and movement performance. Focusing on text and language, research, audience, movement, and interculturalism, the author provides vivid, practical examples from her collaboration with renowned choreographer Ralph Lemon.

As a young child, Lac Su made a harrowing escape

from the Communists in Vietnam. With a price on his father's head, Lac, with his family, was forced to immigrate in 1979 to seedy West Los Angeles where squalid living conditions and a cultural fabric that refused to thread them in effectively squashed their American Dream. Lac's search for love and acceptance amid poverty—not to mention the psychological turmoil created by a harsh and unrelenting father—turned his young life into a comedy of errors and led him to a dangerous gang experience that threatened to tear his life apart. Heart-wrenching, irreverent, and ultimately uplifting, *I Love You* is for White People is memoir at its most affecting, depicting the struggles that countless

Joseph Murphy (20th May 1898-16th Dec 1981), the author, says that "Wealth is a state of consciousness. Everyone has a right to be rich. God wants you to be happy, prosperous, and successful." Dr. Murphy was a proponent of the New Thought movement. He had had a unique gift of expressing great truths in a lucid manner. The book highlights "Your right to be rich" and "The road to Riches". The author has narrated-'What people can achieve if they start using their imaginary and creative skills.' Lots of examples

are included in the book. The book narrates, there is no virtue in poverty. It should be abolished from the earth. Everyone is here to grow, expand and unfold - spiritually, mentally and materially. Poverty is a disease like any other mental disease. You were born to succeed to win, to conquer all hurdles, and to have all your faculties fully developed. If there is financial lack in your life, do something about it. "Man does not live by bread alone." For this one has to set his heart on money and to give all his attention to amassing money, nothing else matters. You are living in a subjective and objective world. You must not neglect the spiritual food, such as peace of mind, love, beauty, harmony ,joy, and laughter. Dr. Murphy wrote

more than 30 books. His most famous work is "The Power of your Unconscious Mind."

Energy technologies in the future will need to be based on renewable sources of energy and will, ultimately, need to be sustainable. This book provides insight into unintended, negative impacts and how they can be avoided. In order to steer away from the pitfalls and unintended effects, it is essential that the necessary knowledge is available to the developers and decision makers engaged in renewable energy. The value of this book lies in its presentation of the unintended health and environmental impacts from renewable energies. The book presents results from

cross-disciplinary research on the implementation of alternative fuels in the transport sector, namely hydrogen, electricity and biodiesel. This is followed by an assessment of environmental impacts from the production of solar cells. Critical reviews on the use of nanotechnology and nanomaterials in the energy technologies is then provided, with the formation of nanoparticles during combustion of bio-blended diesel and their toxic effects, discussed in detail.

stopped. They were hardly down when the "Pisangs" (French peasants) came running toward them from every direction. They managed to get into a nearby woods by beating a hasty retreat. Behind them they heard the yelling of the men and women. The woods was surrounded, and they had to hide till night fell. Then they escaped into the Argonne Forest, under cover of darkness although fired on a number of times. Here they spent five days, avoiding French troops. As they had only berries and roots to eat, and could only travel at night, they were almost ready to surrender. But on the morning of the seventh day they heard someone say, in German, "Get on the job, you fool." Those were sweet words to them, for it was
