The only authorized edition of the twentieth-century classic, featuring F. Scott Fitzgerald ' s final revisions, a foreword by his granddaughter, and a new introduction by National Book Award winner Jesmyn Ward. Nominated as one of America ' s best-loved novels by PBS ' s The Great American Read. The Great Gatsby, F. Scott Fitzgerald ' s third book, stands as the supreme achievement of his career. First published in 1925, this quintessential novel of the Jazz Age has been acclaimed by generations of readers. The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, of lavish parties on Long Island at a time when The New York Times noted “ gin was the national drink and sex the national obsession, ” it is an exquisitely crafted tale of America in the 1920s. The Great Gatsby is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional towns of West Egg and East Egg on prosperous Long Island in the summer of 1922. Many literary critics consider The Great Gatsby to be one of the greatest novels ever written. The story of the book primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession to reunite with his ex-lover, the beautiful former debutante Daisy Buchanan. Considered to be Fitzgerald ' s magnum opus, The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval and excess, creating a portrait of the Roaring Twenties that has been described as a cautionary[a] tale regarding the American Dream. “ The Great Gatsby ” is a 1925 novel written by American author Francis Scott Fitzgerald (1896-1940) that follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. Considered to be Fitzgerald ' s magnum opus, The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream.

NATURAL SCIENCE presenta libros para estudiar Ciencias de la Naturaleza en inglés, basados en el currículum oficial de la ESO. Son libros estructurados de manera sencilla y con un diseño muy atractivo para facilitar el aprendizaje; van acompañados de un CD audio para trabajar la pronunciación y la comprensión oral.

This work has been selected by scholars as being culturally important, and is part of the

knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

With a new component array and strong digital support, the new edition of Close up has been fully updated to be in line with the new First for Schools 2015 specifications. Close up is still as interesting, topical and up to date as ever with spectacular National Geographic photography and facts that have been carefully selected to appeal to the inquisitive minds of young teenagers.

Contains all the listening material to accompany each level including chants, vocabulary songs, stories and nursery rhymes.

Once again Abby and her brother Jonah go through the magic mirror in their basement, and this time they find themselves interfering in the Little Mermaid story--and needing to set things right and make sure everyone has a happy ending.
