How the King of Beers collapsed without a fight and what it means for America's place in the post-Recession world How did InBev, a Belgian company controlled by Brazilians, takeover one of America's most beloved brands with scarcely a whimper of opposition? Chalk it up to perfect timing—and some unexpected help from powerful members of the Busch dynasty, the very family that had run the company for more than a century. In Dethroning the King, Julie MacIntosh, the award-winning financial journalist who led coverage of the takeover for the Financial Times, details how the drama that unfolded at Anheuser-Busch in 2008 went largely unreported as the world tumbled into a global economic crisis second only to the Great Depression. Today, as the dust settles, questions are being asked about how the "King of Beers" was so easily captured by a foreign corporation, and whether the company's fall mirrors America's dwindling financial and political dominance as a nation. Discusses how the takeover of Anheuser-Busch will be seen as a defining moment in U.S. business history Reveals the critical missteps taken by the Busch family and the Anheuser-Busch board Argues that Anheuser-Busch had a chance to save itself from InBev's clutches,

but infighting and dysfunctionality behind the scenes forced it to capitulate From America's heartland to the European continent to Brazil, Dethroning the King is the ultimate corporate caper and a fascinating case study that's both wide reaching and profound.

Summer Smith is looking forward to a wonderful vacation in Florida with her boyfriend Seth, but things get complicated when she saves the life of gorgeous Austin Reed and then falls for him.

Enjoying the Florida Keys in August, Summer Smith must choose the man of her dreams from among Adam, a charmer with a secret; Seth, whose other girlfriend poses a threat; and Diver, who cares more for freedom than he does for girls.

Alison Chapman has always believed she ' d fall in love hard. And she does—with Sam Cody, a new guy with a gorgeous face and brooding eyes, a guy who ' s impossible to resist. When Sam asks her to the Valentine ' s Day dance, Alison is elated . . . until she finds out that her best friend, Isabella Cates-Lopez, has fallen for Sam, too . . . until she finds out that Isabella is dying. Now Alison wants Isabella ' s last days to be her happiest ever—even if she and Sam have to hide their love. Even if, by sharing Sam, Alison risks losing him forever.

SHE ' S WRITING ABOUT HIM. HE ' S WRITING ABOUT HER. AND EVERYBODY IS READING BETWEEN THE LINES. For Erin Blackwell, majoring in creative writing at the New York City college of her dreams is more than a chance to fulfill her ambitions—it ' s her ticket away from the tragic memories that shadow her family ' s racehorse farm in Kentucky. But when she refuses to major in business and take over the farm herself someday, her grandmother gives Erin ' s college tuition and promised inheritance to their maddeningly handsome stable boy, Hunter Allen. Now Erin has to win an internship and work late nights at a local coffee shop to make her own dreams a reality. She should despise Hunter . . . so why does he sneak into her thoughts as the hero of her latest writing assignment? Then, on the day she ' s sharing that assignment with her class, Hunter walks in. He ' s joining her class. And after he reads about himself in her story, her private fantasies about him must be painfully clear. She only hopes to persuade him not to reveal her secret to everyone else. But Hunter devises his own creative revenge, writing sexy stories that drive the whole class wild with curiosity and fill Erin ' s heart with longing. Now she ' s not just imagining what might have been. She ' s writing a whole new ending for her romance with Hunter . . . except this story could come true.

There Are Some Summers You'll Always Remember Sometimes I wake up shivering in the early hours of the morning, drowning in dreams of being out there in the ocean that summer, of looking up at the moon and feeling as invisible and free as a fish. But I'm jumping ahead, and to tell the story right I have to go back to the beginning. To a place called Indigo Beach. To a boy with pale skin that glowed against the dark waves. To the start of something neither of us could have predicted, and which would mark us forever, making everything that came after and before seem like it belonged to another life. My name is Mia Gordon: I was sixteen years old, and I remember everything.
