Crayfish Dissection Worksheet. 1. What structures are used for capturing prey and securing and eating food? 2. How are the antennae, chelipeds, other walking legs, and swimmerets related? 3. What are the main structures you could have observed when you removed the exoskeleton of the abdomen and tell the function of each?

Crayfish Worksheet - BIOLOGY JUNCTION

Biology, while super informative and exciting to science junkies, can be a little dry. It can also be pretty intimidating. However, we're going to look at the light side: biology jokes! We definitely need to insert humor into biology. However, not literally into our biology. That could be painful. Or gassy. We've scoured the web ...
