Second Grade Reading Growth-Spurt - In this unit, students learn to take charge of their reading by drawing on everything they know to help figure out challenging words, understand the author's craft, and understand the key ideas and concepts in the books they read. Becoming Experts: Reading Nonfiction - In the second unit, students will learn that books can be their teachers!

This is the sequel to the Authors first novel, "Evil in the Heart of Man" which is a fascinating story of slavery in the United States of America. War Chief, who is the nemesis in this epic tale has been tasked to dismantle racism and the hateful ideology of white supremacy here in America and abroad. He is joined by fellow ex-slaves (Shaka Zulu, Afro Queen, and Black Eagle) who have also acquired supernatural powers to battle these evil elements that are pretending to be God fearing Christians but are nothing but cohorts of Satan and the evil that he espouses.

We are undertaking the most tremendous move ever made by LABOR in this country, a move which will lead NO ONE KNOWS WHERE! With these words echoing throughout the city, on February 6, 1919, 65,000 Seattle workers began one of the most important general strikes in US history. For six tense yet nonviolent days, the Central Labor Council negotiated with federal and local authorities on behalf of the shipyard workers whose grievances initiated the citywide walkout. Meanwhile, strikers organized to provide essential services such as delivering supplies to hospitals and markets, as well as feeding thousands at union-run dining facilities. Robert L. Friedheims classic account of the dramatic events of 1919, first published in 1964 and now enhanced with a new introduction, afterword, and photo essay by James N. Gregory, vividly details what happened and why. Overturning conventional understandings of the American Federation of Labor as a conservative labor organization devoted to pure and simple unionism, Friedheim shows the influence of socialists and the IWW in the citys labor movement. While Seattles strike ended in disappointment, it led to massive strikes across the country that determined the direction of labor, capital, and government for decades. The Seattle General Strike is an exciting portrait of a Seattle long gone and of events that shaped the citys reputation for left-leaning activism into the twenty-first century.

Includes extra and special sessions.

"[...] an interesting and well-written overview of the current status of our knowledge of the composition of the middle atmosphere and the basic radiative, dynamical and photochemical processes which maintain it." (Bulletin American Meteorological Society)
