Corporate Communication: A Guide to Theory and Practice ...

The broad field of corporate communications cannot be precisely defined. In principle, the measures are too diverse and overlap with many other areas of a company, such as marketing. In principle, however, corporate communication encompasses all communication that a company conducts. This can be found both internally, in the way employees are addressed, and externally, if business partners (as in B2B marketing), customers (as in B2C marketing), or media (as in PR) are the addressees.
