The EU has a policy of "critical engagement" towards North Korea. The EU wishes to help the DPRK "promote peace and stability on the Korean peninsula, in particular through support for international efforts to promote denuclearisation and an improvement in the human rights situation". The European Union first started diplomatic relations with DPRK in May 2001 and most EU countries have since made diplomatic relations with the DPRK.

**North Korea–European Union relations** — Wikipedia

The European Union (EU) is forging strong economic and political relations with the Republic of Korea. Education, science and technology and climate change are important areas of cooperation. The citizens of the European Union have enjoyed six decades of unprecedented peace, prosperity and security.
