Teaching film Why film? Film, le septième art, has long held a high status within French culture. It is worth incorporating in an A-level course for several reasons. First, it is one way of becoming more closely acquainted with French-speaking culture. Second, films are an excellent source of authentic listening material.

This book offers a lively, communicative approach to French, underpinned by a clear grammatical foundation, for higher-ability pupils. Clear explanations of the way the language works should develop pupils' use and understanding of French, and are accompanied by regular practice activities. What people are saying - Write a review

~~Expo: 2. Rouge - Jon Meier, Gill Ramage - Google Books~~

This teacher's guide is designed to support the accompanying "Expo: Pupil's book", and matches all of the pupil book activities to the national curriculum levels and framework teaching objectives. Detailed notes guide the teacher through each unit, with further suggestions for lesson starter activities, plenaries and extra teaching ideas. Tape transcripts and answers to the activities are provided, as well as concise teaching notes and grids for planning stages.

This is the pinnacle of French textbooks. This reference guide to the nooks and crannies of French usage and style is a whopping 1600-1800 pages (depending on what edition you get). It was first published in 1936 and has been revised systematically since. There is even a new online edition. It may seem daunting, but if you're serious about your French, ranging from struggling beginner to fluent professional, this book will have the answers presented in an organized manner to any little ...
