"The book highlights the many possibilities of the innovative work of these dramatists, and this will, it is to be hoped, help the editors to achieve one of their other key goals: productions of the plays in English."

—Times Literary Supplement "This thoughtfully crafted book with its insightful and informative studies elucidates an overlooked, essential component of the Latin American literary canon." —Choice Contributors discuss 15 works of Latin-American playwrights, delineate the artistic lives of women dramatists of the last half of the twentieth century—from countries as diverse as Argentina, Brazil, Chile, Mexico, Puerto Rico, and Venezuela—and highlight the problems inherent in writing under politically repressive governments.

"Se re ú nen varias obras de la autora, en su mayor í a breves, en los que, con el lenguaje po é tico y metaf ó rico que caracteriza la escritura de la autora, se plantean temas de car á cter universal, pero sin perder de vista la realidad argentina. La casa sin sosiego es un libreto para ó pera de c á mara"--Handbook of Latin American Studies, v. 58.

DIVTranslations of texts by important Latin American women playwrights, and performance artists, together with essays about their work./div

Taylor (Spanish and comparative literature, Dartmouth College) draws on five Latin American plays written 1965-70 to illustrate how theatre both reflects and shapes political

and economic events and movements. Of interest to students of either theatre or Latin America. All nations are translated.

Annotation copyrighted by Book News, Inc., Portland, OR

Inspired by Madres de la Plaza de Mayo's work for memory and justice, this book is an interdisciplinary study that draws on Latin American literary, trauma, performance, and cultural studies to analyze the narrative of three Argentine women writers/activists.

Since Argentina's transition to democracy, the expression of human fragility on the stage has taken diverse forms. This book examines the intervention of theatre and performance in the memory politics surrounding Argentina's return to democracy and makes a case for performance's transformative power.

One of Latin America's most important and prolific writers, Griselda Gambaro has focused on the dynamics of repression, complicity, and violence--specifically, the terror of violent regimes and their devastating effects on the moral framework of society. *Information for Foreigners* is a drama of disappearance, an experimental work dealing with the theme of random and meaningless punishment in which the audience is led through darkened passageways to a series of nightmarish tableaux. The collection also includes *The Walls* and *Antigona Furiosa*.
