Reviews are compiled by a team of experienced editors and authors, allowing advanced undergraduates, graduate students, postdocs, and chemists to rely on the volume's continuing quality of selection and presentation.

Paperback edition of an historical novel first published in 1997. In the mid-19th century, twin brothers are kidnapped and separated in childhood, and reunited in Hobart at the age of 15. The novel tells of their adventures as they travel through the Pacific Ocean and to various destinations in Australia and New Zealand, and the way in which their relationship develops. The best-selling author's other publications include 'The Power of One' and 'The Potato Factory'.

Contemporary Mexico faces a complex crisis of violence and insecurity with high levels of impunity and the lack of an effective rule of law. These weaknesses in the rule of law are multidimensional and involve elements of institutional design, the specific content of the laws, particularities of political competition and a culture of legality in a country with severe social inequalities. This book discusses necessary institutional and legal reforms to develop the rule of law in a context of democratic, social and economic transformations. The chapters are organized to address: 1) The concept of the 'rule of law' and its measurement; 2) The fragility of

the 'rule of law' in Mexico; 3) Structural reforms and implementation challenges; 4) Social exclusion and the culture of legality. The book addresses decision-makers, civil servants, consultants, scholars, lecturers, and students focusing on public policy, rule of law, sociology of law, legislative studies and practice, impunity, and areas of political philosophy. • The book presents an interdisciplinary and integrated approach for understanding the rule of law in Mexico, taking into account national particularities, the regional context and global comparisons. • Chapters discuss recent institutional reforms in Mexico from a critical point of view and explore possible next steps to achieve effective implementation. • This book addresses the links between a weak rule of law and social phenomena like insecurity, violence, corruption and democratic deficits.

Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

Sorne, the estranged son of a King on the verge of madness, is being raised as a weapon to wield against the mystical Wyrds. Half a continent away, his father is planning to lay siege to the Celestial City, the home of the T'En, whose wyrd blood the mundane population

have come to despise. Within the City, Imoshen, the only mystic to be raised by men, is desperately trying to hold her people together. A generations long feud between the men of the Brotherhoods and the women of the sacred Sisterhoods is about to come to a head. With war without and war within, can an entire race survive the hatred of a nation? Rowena Cory Daniells, the creator of the bestselling Chronicles of King Rolen's Kin, brings you a stunning new fantasy epic, steeped in magic and forged in war.

The New Testament is sometimes called the New Covenant, signifying a new relationship between humanity and God. From the viewpoint of salvation history, the New Testament is the completion and the culmination of the Old Testament. In terms of length, it is only a small portion of the entire Bible, and yet it is that portion which brings it all together. Richard Rohr and Joseph Martos look at the many ways salvation themes are proclaimed by the various authors and literary styles of the New Testament.

Anamorphic devices challenge viewers to experience different forms of perceptual oscillation and uncertainty. This title seeks to demonstrate that much of the literature of the Spanish Golden Age is susceptible, and indeed requires, oblique readings.

Arthurian Literature has established its
