Robert D. Hare Quotes (Author of Without Conscience)

Robert D. Hare's "Without Conscience" is a chilling book. In his practice and research, he has developed the Psychopathy Checklist-- a tool that is reliable and valid with proper usage. Without Conscience argues that both genetics and environment play a role in the expression of psychopathy, but psychopaths are not created by poor parenting alone.

Hare wrote a popular science bestseller published in 1993 titled *Without Conscience: The Disturbing World of the Psychopaths Among Us* (reissued 1999). He describes psychopaths as 'social predators', while pointing out that most don't commit murder. One philosophical review described it as having a high moral tone yet tending towards sensationalism and graphic anecdotes, and as providing a useful summary of the assessment of psychopathy but ultimately avoiding the difficult questions ...
