Students' backpacks bulge not just with oversize textbooks, but with paperbacks, graphic novels, street lit, and electronics such as iPods and hand-held video games. This book shows teachers how to unpack those texts and use them to engage students in meaningful learning. Whether you are a technology enthusiast or you favor traditional literature, this book is written for you. With classroom activities, adaptable lessons, and study-group questions in every chapter, this book is guaranteed to help you invigorate your teaching and capture your students' attention!

This book constitutes the refereed proceedings of the 8th International Conference of the CLEF Initiative, CLEF 2017, held in Dublin, Ireland, in September 2017. The 7 full papers and 9 short papers presented together with 6 best of the labs papers were carefully reviewed and selected from 38 submissions. In addition, this volume contains the results of 10 benchmarking labs reporting their year long activities in overview talks and lab sessions. The papers address all aspects of information access in any modality and language and cover a broad range of topics in the field of multilingual and multimodal information access evaluation.

A guide to developing teamwork skills, particularly in the workplace.

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

You are a sexual person. Whether you are single or married, a teenager or an older single adult, God created you as a sexual person. So how do we inhabit our sexuality in a way that brings honor to God? And what exactly is sexuality? Is it just sexual intercourse? Or is it perhaps something much greater? God created them male and female. From the moment of our conception, we are born in this act of creation as a sexual being. God's creation was the work of a master artist. It is vital that we discover both the artwork and the artist. God intended for sex to be a wonderful good. When someone allows God to guide them in how they engage in sex, it can be. However, sometimes sexuality has become a source of shame, guilt, pain, confusion, frustration, and sorrow. Sexual challenges can come from the choices we make, from the things that others do against us, and from the ways in which Satan has inundated the world with a tsunami of destructive words and

images about sex. Those challenges can also come from the lack of being able to talk openly about sex. Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid, biblical answers to some of the very real questions you have. You may feel like you've tried to bring up these things with those involved in your life but that you often receive the same-old trite and empty arguments about purity: "Just wait" or "Just repent" or "God has a plan. Be patient." So how do we reconcile God's intricate and amazing plan for sex with the devastation, destruction, and frustration that sex outside of His plan can cause? How can we pursue purity and honor sexuality at the same time? What exactly is God's plan for sexuality for those who are not married? Redeeming Sexuality answers many of these and other questions that singles, teens, and parents ask the authors in their conferences and sessions, including: What is God's plan for sex? How should single, working professionals, college students, teens, and all other unmarried individuals understand their sexuality in light of God's plan? What is allowed and how far is too far? How can we have healthy, intimate connections with others? What is purity and how do we deal with temptation when it is so hard to escape? How do we work through the damage and pain that is already done? How can parents effectively communicate with their kids about sex? This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing. Journey with us as we discover a vibrant understanding of God's plan for redeemed sexuality.

Outrageous nighttime ramblings from a sleep talker's subconscious, based on "one of the funniest blogs out there . . . A bonafide viral sensation" (Mashable). Adam Lennard had never been a sleep-talker until, one night while fast asleep, he yelled, "Enough with the cheese! Enough!" From that night, Adam's exclamations grew exponentially in topic, crudeness, and downright hilarity, and his wife, Karen Slavick-Lennard, had the good sense to write it all down. Sleep Talkin' Man is the story of Adam, a mild-mannered Englishman with a wild nocturnal life, possibly an entire separate personality, known only as Sleep Talkin' Man. Prone to hilariously hostile outbursts and "relentless ego-wanking," as his American wife Karen terms it, and with notable fixations on both real and invented wildlife, scatology, his own greatness, and the evils of lentils and vegetarianism, Sleep Talkin' Man has for the last few years had his questionable wisdom captured on audio and shared with the world in the viral blog Sleep Talkin' Man. Sleep Talkin' Man comprises the best quotes and exchanges from the blog, never-before-seen material from Karen's trove of audio files, and essays telling the story of their relationship, the impact of Sleep Talkin' Man's manifestation on their lives, and how Sleep Talkin' Man resembles and, more importantly, differs from Adam's waking personality. "Talking in your sleep was never so funny . . . [Adam Lennard's] nighttime alter-ego is rude and crude and certainly sounds insane." —Nick Watt, ABC News

This language reader features thought-provoking readings that explore the various interconnections between language and American society. The text challenges the reader to critically examine how language affects and constructs culture and how culture constructs and affects language. #1 NEW YORK TIMES BESTSELLER • The compelling, inspiring, and comically sublime story of one man's coming-of-age, set during the twilight of apartheid and the tumultuous days of freedom that followed NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Michiko Kakutani, New York Times • USA Today • San Francisco Chronicle • NPR • Esquire • Newsday • Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. Praise for Born a Crime "Compelling . . . By turns alarming, sad and funny, [Trevor Noah's] book provides a harrowing look, through the prism of Mr. Noah's family, at life in South Africa under apartheid. . . . Born a Crime is not just an unnerving account of growing up in South Africa under apartheid, but a love letter to the author's remarkable mother." —Michiko Kakutani, The New York Times

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.
