After Jon Krakauer's article on McCandless appeared in Outside magazine, the author received many letters suggesting that the young man had been mentally ill. Other mail simply questioned his judgment: "Entering the wilderness purposefully ill-prepared, and surviving a near-death experience does not make you a better human, it makes you damn lucky," wrote one reader.

Summary: Chapter 8 Jon Krakauer picks up the explanation of the reception of his 1993 Outdoor magazine article about McCandless's death that he began in Chapter Six. He quotes a number of letters the magazine received criticizing McCandless, particularly those from experienced campers and Alaska residents, who see the young man's trip as at best too romantic and at worst dangerously foolhardy.

Into the Wild Summary - eNotes.com

Into the Wild study guide contains a biography of author Jon Krakauer, literature essays, quiz questions, major themes, characters, and a full summary and analysis.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." "New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

**#1 NATIONAL BESTSELLER** "A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism." "PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more—including Krakauer's—in guilt-ridden disarray, would also provide the impetus for Into Thin Air, Krakauer's epic account of the May 1996 disaster. By writing Into Thin Air, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of Into Thin Air includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day," writes Krakauer in the postscript, dated August 1999. "What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since Into Thin Air's denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored The Climb, Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters—a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind."

In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Over 130 images, paired with essays from Nick Jans, record the splendor of this great American wilderness. From intimate singular images to hauntingly beautiful landscapes, Alaska finds new expression under the artful lens of Art Wolfe.For more than 15 years Art Wolfe has been documenting Alaska, from the rainforests of the Southeast to snow-shrouded mountains to the northern expanses of the Brooks Range and beyond. Wolfe brings a painter's sensitivity to light, pattern, and composition in his photography of landscape and wildlife, and Alaska is his personal vision of a truly awesome landscape.

The adventures of an unusual dog, part St. Bernard, part Scotch shepherd, forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack.

From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills:how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire, and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Newly reissued as a Picador Modern Classic, Marilynne Robinson's brilliant, PEN/Hemingway Award-winning first novel Housekeeping is the story of Ruth and her younger sister, Lucille, who grow up haphazardly, first under the care of their competent grandmother, then of two comically bumbling great-aunts, and finally of Sylvie, the eccentric and remote sister of their dead mother. The family house is in the small town of Fingerbone on a glacial lake in the Far West, the same lake where their grandfather died in a spectacular train wreck and their mother drove off a cliff to her death. It is a town "chastened by an outsized landscape and extravagant weather, and chastened again by an awareness that the whole of human history had occurred elsewhere." Ruth and Lucille's struggle toward adulthood beautifully illuminates the price of loss and survival, and the dangerous and deep undertow of transience. For more than twenty years, Picador has been producing beautifully packaged literary fiction and nonfiction books from Manhattan's Flatiron Building. Our Twentieth Anniversary Modern Classics line pairs iconic books with a design that's both small enough to fit in your pocket and unique enough to stand out on your bookshelf.
