passionately. But the money seems to blind every man she meets—except one. Sebastian Vane has nothing. He came home from war with a shattered leg to find his father mad and his inheritance gone. He's not a fit suitor for anyone, let alone an heiress. But Abigail lights up his world like a comet, bright and beautiful and able to see him instead of his ruined reputation. And it might end happily ever after . . . To Reveal Your Heart's Desire . . . Until Benedict Lennox begins courting Abigail. Ben is everything Sebastian isn't—wealthy, charming, heir to an earl. With Love and Other Scandals, bestselling and RITA Award–winning author Caroline Linden launches a scandalously sexy new historical romance series set in Regency England. Joan Bennett is a breath away from being a spinster. She ’ s had four seasons without a suitor. After reading a shockingly sensuous book, Fifty Ways to Sin, Joan decides perhaps it ’ s time to stop being proper and start being sinful, while she ’ s still young enough to enjoy it. And what better partner than her brother ’ s drinking mate, Viscount Burke? He seems the type to know how to give a lady a lascivious adventure. USA Today bestselling author Caroline Linden's third novel in her Scandalous series brings together a feisty heiress, a notorious rake, and a shocking book that could bring one woman the utmost despair— or the greatest pleasure. Penelope Weston does not like Benedict Lennox, Lord Atherton. He may be the suave and charming heir to an earl, as well as the most handsome man on earth, but she can't forget how he abandoned a friend in need— nor how he once courted her sister, Abigail. He's the last man she would ever marry. If only she didn't feel so attracted to the arrogant scoundrel . . . Once upon a time, Benedict thought he and Penelope got along rather well. Though he needs a wealthy

bride to escape his cruel father's control, spirited Penelope just doesn't suit his plans for a model marriage—until a good deed goes awry, and scandalous rumors link his name to Penelope's. She might not be the quiet, sensible wife he thought he wanted, but she is beautiful . . . beguiling . . . and far more passionate than he ever imagined. Can a marriage begun in scandal become a love match, too?

After a youthful infatuation went terribly wrong, Lady Samantha Lennox gave up all thought of suitors and happily-ever-after. But when she angers her strict and demanding father, the Earl of Stratford, he retaliates by arranging a marriage for her to a man she could never admire, much less love. In a panic, Samantha

flees to London, only to find herself lost, alone, and nearly kidnapped--until an unlikely hero saves her. George Churchill-Gray is an artist, not a knight in shining armor, but he doesn't hesitate to rescue Samantha from disaster and offer her temporary sanctuary. He wouldn't mind if she repaid him by modeling for his latest painting. He's enchanted by her face... her smile... all of her, really. But with every study he sketches, he falls a little more in love with her, and Samantha begins to suspect her scandalous actions might lead to the sort of love she never thought to find...A novella in the Scandals series by Caroline Linden.

Losing him broke her heart, though she's been careful to hide it for the last ten years. But when he comes to her aid and vows to stand by her, no matter what, she can't help but hope things will be different for them this time. James Weston has blamed himself for letting Olivia down when she needed him years ago, and now he'll do whatever it takes to keep her safe—and to win her trust again. He's confident he can outwit the villain chasing Olivia. But being so near her again threatens to expose every secret in his heart ... even those that he swore would stay hidden forever.
