Janson's History Of Art: The Western Tradition, Volume II ...

Janson offered his readers a strong focus on Western art, an important consideration of technique and style, and a clear point of view.The History of Art, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change.

[PDF] Jansons History of Art ebook | Download and Read ...

This massive book goes through the whole history of art, focusing on European history of art. The book tries to touch the world around Europe but I have to say that those parts were very few. It is almost impossible to put the whole world's history of art in one book so I completely understand how the book focuses on certain eras and countries that the writers consider more important than others.

History of Art - Amazon.com

This classic book uses an exceptional art program, featuring impeccable accurate five-color illustrations, to introduce readers to the vast world of painting, sculpture, architecture, photography, and the minor arts. With its effectively written, balanced, and interesting narrative, this book presents art as a succession of styles--from Prehistory through the 20th century--and enlarges the readers' capacity to appreciate works of art individually. Written more than 40 years ago, this text has been constantly reworked to respond to the needs of this ever-changing field. A reference work suitable for those employed in all art media, including painters, sculptors, photographers, and architects.

Janson’s History of Art: The Western Tradition, Reissued Eighth Edition presents the same content as the text’s Eighth Edition, published in 2010, now reimagined for digital learning via REVEL, and also available through the Pearson Custom Library. While remaining current with new discoveries and scholarship, the Reissued Eighth Edition maintains its focus on the object, its manufacture, and its visual character, and continues to consider the contribution of the artist as a key element of analysis. Throughout, the authors engage students by weaving a compelling narrative of how art has changed over time in the cultures that Europe has claimed as its heritage. Also available with MyArtsLab® MyArtsLab for the Art History Survey course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they’ve learned. And Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyArtsLab does not include an eText. Janson's History of Art: The Western Tradition, Reissued Eighth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. For enrollments of at least 25, the Pearson Custom Library allows you to create your own textbook by combining chapters from best-selling Pearson textbooks and by adding your own content, such as a guide to a local art museum, a map of monuments in your area, your syllabus, or a study guide you've created. Priced according to the number of chapters, a custom text may even save your students money.

The definitive survey of Western art is now available in a deluxe, one-volume slipcased edition, bound in rich cloth and stamped in gold foil. 1,243 illustrations, 736 in color. 111 line drawings. 12 maps.

Fo>
Rewritten and reorganized, this new edition weaves together the most recent scholarship, the most current thinking in art history, and the most innovative online supplements, including digital art library. Experience the new Janson and re-experience the history of art. Long established as the classic and seminal introduction to art of the Western world, the Eighth Edition of Janson's History of Art is groundbreaking. When Harry Abrams first published the History of Art in 1962, John F. Kennedy occupied the White House, and Andy Warhol was an emerging artist. Janson offered his readers a strong focus on Western art, an important consideration of technique and style, and a clear point of view. The History of Art, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change. Janson's text focused on the visual and technical characteristics of the objects he discussed, often in extraordinarily eloquent language. Janson's History of Art helped to establish the canon of art history for many generations of scholars. The new Eighth Edition, although revised to remain current with new discoveries and scholarship, continues to follow Janson's lead in important ways: It is limited to the Western tradition, with a chapter on Islamic art and its relationship to Western art. It keeps the focus of the discussion on the object, its manufacture, and its visual character. It considers the contribution of the artist as an important part of the analysis. This edition maintains an organization along the lines established by Janson, with separate chapters on the Northern European Renaissance, the Italian Renaissance, the High Renaissance, and Baroque art, with stylistic divisions for key periods of the modern era. Also embedded in this edition is the narrative of how art has changed over time in the cultures that Europe has claimed as its patrimony.

This is a key book for the study and enjoyment of Western art. This seventh edition has been revised and expanded and six new authors have been selected. Every image from the previous edition has been enhanced/refreshed using modern imaging technology.

For courses in the History of Art. Rewritten and reorganized, this new edition weaves together the most recent scholarship, the most current thinking in art history, and the most innovative online supplements, including MyArtsLab and the Prentice Hall Digital Art Library. Experience the new Janson and re-experience the history of art. The Portable Edition of Janson's History of Art, Eighth Edition features four lightweight, paperback books packaged together along with optional access to a powerful student website, www.myartslab.com , making the text more student friendly than ever. Janson's History of Art is still available in the original hardcover edition and in Volume I and Volume II splits. The Portable Edition is comprised of four books, each representing a major period of art history: Long established as the classic and seminal introduction to art of the Western world, the Eighth Edition of Janson's History of Art is groundbreaking. When Harry Abrams first published the History of Art in 1962, John F. Kennedy occupied the White House, and Andy Warhol was an emerging artist. Janson offered his readers a strong focus on Western art, an important consideration of technique and style, and a clear point of view. The History of Art, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change. Janson's text focused on the visual and technical characteristics of the objects he discussed, often in extraordinarily eloquent language. Janson's History of Art helped to establish the canon of art history for many generations of scholars. The new Eighth Edition, although revised to remain current with new discoveries and scholarship, continues to follow Janson's lead in important ways: It is limited to the Western tradition, with a chapter on Islamic art and its relationship to Western art. It keeps the focus of the discussion on the object, its manufacture, and its visual character. It considers the contribution of the artist as an important part of the analysis. This edition maintains an organization along the lines established by Janson, with separate chapters on the Northern European Renaissance, the Italian Renaissance, and Baroque art, with stylistic divisions for key periods of the modern era. Also embedded in this edition is the narrative of how art has changed over time in the cultures that Europe has claimed as its patrimony.

For forty years, this widely acclaimed classic has remained unsurpassed as an introduction to art in the Western world, boasting the matchless credibility of the Janson name. This newest update features a more contemporary, more colorful design and vast array of extraordinarily produced illustrations that have become the Janson hallmark. A narrative voice makes this book a

truly enjoyable read, and carefully reviewed and revised updates to this edition offer the utmost clarity in contributions based on recent scholarship. Extensive captions for the book’s incredible art program offer profound insight through the eyes of twentieth-century art historians speaking about specific pieces of art featured throughout. Significantly changed in this edition is the chapter on “The Late Renaissance,” in which Janson offers a new perspective on the subject, tracing in detail the religious art tied to the Catholic Reform movement, whose early history is little known to many readers of art history. Janson has also rearranged early Renaissance art according to genres instead of time sequence, and he has followed the reinterpretation of Etruscan art begun in recent years by German and English art historians. With a truly humanist approach, this book gives written and visual meaning to the captivating story of what artists have tried to express—and why—for more than 30,000 years.

Historically, major women artists have been excluded from the mainstream art canon. Aligned with the resurgence of feminism in pop culture, Broad Strokes offers an entertaining corrective to that omission. Art historian Bridget Quinn delves into the lives and careers of 15 female artists from around the globe in text that's smart, feisty, educational, and an enjoyable read. Replete with beautiful reproductions of the artists’ works and contemporary portraits of each artist by renowned illustrator Lisa Congdon, this is art history from the Renaissance to Abstract Expressionism for the modern art lover, reader, and feminist.

Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- A concise introduction to the Western tradition in art. Janson's Basic History of Art provides readers with a beautifully illustrated and masterfully concise introduction to the Western tradition of art history. The text centers discussions around the object, its manufacture, and its visual character. It considers the contribution of the artist as an important part of the analysis. This edition creates a narrative of how art has changed over time in the cultures that Europe has claimed as its patrimony and that Americans have claimed through their connection to Europe. Janson's Basic History of Western Art continues to maintain separate chapters on the Northern European Renaissance, the Italian Renaissance, and the High Renaissance, with stylistic divisions for key periods of the modern era. The 9th edition brings some exciting changes. For the first time, Janson's Basic History of Western Art comes with MyArtsLab, which provides students with an interactive learning experience. Also, the text incorporates new learning objectives, graphics, and maps throughout. In response to reviewer's requests, this new edition expands the coverage of Islamic art into its own chapter. MyArtsLab is an integral part of the Davies et al, program. Key learning applications include, Art 21 and Studio Technique videos, 360-degree architectural panoramas and simulations and Closer Look tours. A better teaching and learning experience This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning - MyArtsLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking -- "Points of Inquiry" and "Points of Reflection" coordinated with learning objectives help students think critically about what they have read. Engage Students -- Updated images, MyArtsLab, and the clarity of the text provide a wonderful engaging student experience. Support Instructors -- Instructor resources are available in one convenient location. Figures, videos, and teacher support materials create a dynamic, engaging course. 0205925928 / 9780205925926 Janson's Basic History of Western Art Plus NEW MyArtsLab with eText -- Access Card Package Package consists of: 0205206565 / 9780205206568 NEW MyArtsLab with Pearson eText -- Valuepack Access Card 0205242634 / 9780205242634 Janson's Basic History of Western Art
