John Thompson Piano Method

I highly recommend John Thompson as a method. There are a lot of piano teachers that ultimately recommend the piano series they were taught with as a child, and, well, I guess I'm no exception. However, when I first started teaching piano lessons, I told the parents that I would use whichever method they wanted to use, it didn't matter to me.

At that instant I decided to become a conductor. The very next day I started piano lessons (yes, from the John Thompson. books!) "There are arrangements of Bach and Brahms (the Lullaby. for instance) that a child could play. I do not know. if the method is still available but the John Thompson. Piano series is rather good and is what many children

Earlier today, I went live on Facebook to talk about one of my favorite old piano method books: the classic John Thompson's Modern Course for the Piano. I have to admit certain bias for the "Teaching Little Fingers to Play" book. It was my first piano book when I was all of age 5. ? Here is the Facebook Live video.

Thompson does have another method book out (JT Easiest Piano Course) which is much better for the complete beginner. The illustrations seem to perfectly capture the essence of the work at hand. For example, on page 5 you'll find the piece "Playing Tag" which features cartoon characters chasing each other.
