well,,,this book was a nightmare to me as a student,, it's too heavy so i didnt bring it on every intermediate accounting class which was for a year,, but..after a year or so..now i realize that this book teach me so much than i thought back then,, this is a must have book for any accounting students who works in any accounting-involved work.. even though they will publish a newer edition but ...

The Kieso, Weygandt, Warfield, Young, Wiecek: Intermediate Accounting text has an outstanding reputation as "THE" text for the course and is viewed as a reliable resource by accounting students, faculty and professionals. After listening carefully to instructors and students alike, and after having built on what we have learned over eight successful editions and more than 25 years of being the market leader, we are confident that the Ninth Edition is the best one yet! The integration of the new International Accounting Standards and their comparison with the new Private Entity GAAP, enhances the main goal of the book " to help students understand, prepare and use financial information by linking education with the 'real-world' accounting environment". Our industry-experienced and leading-edge author expertise in the field of IFRS, combined with an update of the text's technical content ensures that accounting faculty and students can continue to rely on Kieso, especially during a time of change. Even though the rapidly changing landscape of Canadian and international accounting is a focus of the text, the authors continue their emphasis on helping students understand the core concepts that are at the heart of the accounting profession. The chapters are interesting, informative and pedagogically sound. Clear explanations of important issues, concepts, and business transactions are provided, followed by examples of how these are applied in practice. Interesting examples show how the resulting numbers are used, and how "real life" Canadian companies actually account for and report their accounting transactions and results.

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

Accompanies 'Intermediate accounting' / Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield. 14th ed. Hoboken, NJ: Wiley, c2012.

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

Reflecting the demands for entry-level accountants, the focus of this book is on fostering critical thinking skills, reducing emphasis on memorisation and encouraging more analysis and interpretation by requiring use of technology tools, spreadsheets and databases.

The Gateway to the Profession 99% of surveyed practicing accountants feel that Kieso, Weygandt, and Warfield's Intermediate Accounting helped prepare them for success in professional practice. 100% would recommend the text to someone currently studying for an accounting degree. 80% said they referred to their copy when they first entered professional practice. Professionals who learned accounting from Intermediate Accounting find themselves well prepared to enter the workplace. So well prepared in fact, that many keep their copy of the text to refer to again and again. Why is this text so essential for professional success? \* Currency--This 12th edition of Intermediate Accounting reflects the state-of-the-art in accounting today. The text is kept current with the Intermediate Accounting Newsletter, a periodical for users of the text that spotlights the very latest developments and their implications. \* Real-world examples and illustrations--Numerous examples from real corporations help you understand exactly how professionals apply accounting principles and techniques. International Insight notes compare accounting practices in other countries. \* Hands-on practice--This 12th edition features Professional Simulation problems, modeled on the new computerized exam. In addition, new accounting research exercises help you practice using the Financial Accounting Research Database System (FARS). \* Comprehensive and clear explanations of concepts--The authors' clear writing style and logical organization help you understand the material. Make Kieso your gateway to the profession!
