The suggested solutions represent comprehensive approaches to the questions and are based on the full range of available marks. They do not represent responses that candidates could realistically expect to produce in the prescribed time limits. The suggested solutions should not be regarded as representing the only acceptable response.

CPA Ireland - CPA Student | CPA Ireland

Managerial finance is concerned with assessing how financial techniques are being used at different levels of a company versus the financial techniques themselves.

Proponents of the managerial finance approach look at a variety of key elements and departments of a company to determine how well the company is doing.
