Sun Ra, Brian Eno, Lee Perry, Kate Bush, Kraftwerk, Aphex Twin, Ryuichi Sakamoto and Brian Wilson are interviewed in this extraordinary work of sonic history. It travels from the rainforests of Amazonas to virtual Las Vegas; from David Lynch's dream house high in the Hollywood Hills to the megalopolis of Tokyo. Ocean of Sound begins in 1889 at the Paris exposition when Debussy first heard Javanese music performed. An ethereal culture developed in response to the intangibility of 20th century communications.

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological

characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience.

Publisher : General Press

This book is part of the Army historical community's commemoration of the fiftieth anniversary of World War II. American victory in that conflict was brought about not only by the valor of our fighting men and the immensity of our productive capacity, but also by the availability of superb military intelligence. Much of this intelligence came from the ability of our armed forces to intercept and decipher the most secret communications of their adversaries. For many years security considerations prevented any public mention of these successes in the official histories. Now much of the story can be told. To preserve the memory of the Army's role in this intelligence war, the U. S. Army Center of Military History has joined with the History Office, U. S. Army

Intelligence and Security Command (INSCOM), to publish this collection of documents on Army signals intelligence in World War II. INSCOM carries on the heritage of the Army's World War II Signal Security Agency, which by breaking the Japanese diplomatic ciphers and military codes helped speed the way of our forces to victory. The book is intended both for an Army audience and for the general public - including those World War II veterans who participated in the signals intelligence war and who for so many years were constrained to keep their contributions secret. The security barriers have now been lifted, and the Army is proud to acknowledge those contributions. Harold W. Nelson

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think."
