Endorsed by Cambridge International Examinations, the books cover the Cambridge syllabus (2281).

These Collections Of The Official Past Papers Of The Gce O Level Examinations From The University Of Cambridge International Examinations Has Been Developed For Students Of Gce O Level. These Books Will Act As Tools For Preparation And Revision For Students. These Books Have An Edited Answer Guide For Each Paper Based On The Marks Scheme Written By Cie Principal

Covers the Cambridge IGCSE syllabus (0455) and the Cambridge O Level syllabus (2281), first examination from 2020. This series helps students understand economic theory, terminology and principles. It matches the Cambridge IGCSE and O Level Economics syllabuses. The coursebook helps students apply tools of economic analysis, make judgements on economic issues, use basic economic numeracy and literacy, and take greater part in decision-making processes in everyday life. Sample questions provide opportunities for students to develop their evaluative skills. It provides a foundation for advanced study in Economics such as A Level. Answers to the coursebook and workbook questions are in the teacher's resource.

Covers the Cambridge IGCSE syllabus (0455) and the Cambridge O Level syllabus (2281), first examination from 2020. Economics relates to every aspect of our lives, from the decisions we make as individuals to the structures created by governments and firms. Thinking like an economist can help us all make better choices. With exam-style questions and specific skills practice, this revision guide helps students build their knowledge and understanding of economic theory, giving them confidence to achieve their potential in examinations. Answers are at the back of the book so that students are free to self-study.

Have you ever wondered what jobs we will do in the future, or why some brands of shoes cost more than others? Explore these and many other questions as you begin your study of economics. Working in groups and on your own, you'll learn to make judgements and see how economics connects with your life. You can use this book alongside the coursebook for extra support or as perfect preparation before Cambridge IGCSE or O Level Economics. Answers are at the back of the book, giving teachers the option to set it as summer work before students start studying economics.

Covers the Cambridge IGCSE syllabus (0455) and the Cambridge O Level syllabus (2281), first examination from 2020. This series helps students understand economic theory, terminology and principles. By applying tools of economic analysis, undertaking calculations and writing longer responses, students learn how to look at the world like an economist. The workbook matches the Cambridge IGCSE and O Level Economics syllabuses and provides students with additional concepts to strengthen their understanding, as well as the quality of their answers. The answers to the workbook questions are in the teacher's resource.

Written with the international student in mind, this book is endorsed by Cambridge International Examinations and contains the most up-to-date case studies, global examples and statistics. - In-depth coverage of every aspect of the latest Cambridge IGCSE® and O Level Economics syllabuses to help students build the skills needed to succeed - Engaging and contemporary case studies and examples ensure the book is relevant to the international student - Accessible language and key terms defined to support ESL/EAL students - Student-focused CD-ROM provides useful weblinks to the latest case studies, interactive activities and answers to the questions in the textbook "A stimulating and exciting introduction to Economics that enables students from anywhere in the world to relate to the subject." Caroline Loewenstein, Economics and Business Education Association Cambridge International Examinations and Hodder Education Hodder Education works closely with Cambridge International Examinations and is an authorised publisher of endorsed textbooks for a wide range of Cambridge syllabuses and curriculum frameworks. Hodder Education resources, tried and tested over many years but updated regularly, are used with confidence worldwide by thousands of Cambridge students.

Endorsed by Cambridge International Examinations, Cambridge O Level Economics Workbook is designed to help learners develop their understanding of economics, to build up skills and to enable them to assess their progress. The workbook can be used in conjunction with the Cambridge O Level Economics textbook (ISBN 9781107612358) by the same author but may also be used independently. It is divided into eight sections which correspond to the sections of the syllabus and the textbook. Each section, in turn, is divided into ten parts.

This bestselling title, fully updated to match the latest Cambridge IGCSE and O Level syllabuses. Used and loved by teachers and students around the world, engage students with full colour pages, the latest statistics and examples and case studies from across the globe. Packed full of engaging activities and revision questions, the book is now supported with online access to interactive multiple-choice questions, a full glossary of terms, revision questions and extra practice papers, as well as answers to all the questions in the book.The accompanying Complete Economics for Cambridge IGCSE and O level Teacher Resource Kit provides teaching support that is easily customisable in print and digital format.
