Systems, 2nd Edition" discuss production engineering, the part of petroleum engineering that attempts to maximize production (or injection) in a cost-effective manner.

References | The Role of Petroleum Production Engineering ...

In 1913, a standing committee on oil and gas was created within AIME and proved to be the genesis of SPE. The Oil and Gas Committee of AIME soon evolved into the Petroleum Division of AIME as membership grew and as interest among the members was more clearly delineated among the mining, metallurgical, and petroleum specializations.
