Math Kangaroo puts a special emphasis on three-dimensional geometry, which are usually not seen on many other competitions. Problems in discrete mathematics (number theory and counting and probability) are occasionally used, but in a lower proportion when compared to other mathematical competitions. A few logic and physics questions may also appear.

About SMKC. SMKC is a unique competition, and it is different from the other math competitions. Its syllabus is less advanced than other Olympiad competitions, and students can compete without any special training or advanced knowledge. SMKC questions are set during Annual Math Kangaroo Conference by 150 educators from 70 countries. With all that math brainpower focused on creating interesting problems, SMKC has the best math problems in the world for all students to enjoy solving.
