Rail Engineer | Rail Technology and Engineering News

Level 3 – Railway Engineering Design Technician Standard Rail engineering design technicians provide technical support to engineers who design infrastructure and systems for railways. The engineering disciplines involved include signalling, rolling stock, track, systems, civil engineering, communications, electrification and electrical plant.

RAIL ENGINEERING

North Norfolk is a great place for a family holiday with a dog and we loved that our dog was made so welcome on the Poppy Line / North Norfolk Railway. We boarded the train in Sheringham and went to Holt. Stunning views along the way! We walked about 25 minutes into the town of Holt and caught a vintage bus back to the train station.

North Norfolk Railway – The Poppy Line
