~~Reengineering the Corporation: A Manifesto for Business~~

The most successful business book of the last decade, Reengineering the Corporation is the pioneering work on the most important topic in business today: achieving dramatic performance improvements. This book leads readers through the radical redesign of a company's processes, organization, and culture to achieve a quantum leap in performance.

~~Reengineering the Corporation: A Manifesto for Business~~

Reengineering the Corporation offers nothing less than a brand-new vision of how companies should be organized and managed if they are to succeed - indeed even survive - in the 1990s and beyond. Reengineering does not seek to make businesses better through incremental improvements - 10 percent faster here or 20 percent less expensive there.

~~Reengineering the Corporation: A Manifesto for Business~~

Reengineering the Corporation is one of the latter types of books. While it was often used as prescriptive at the time it was introduced in 1994, it has become more about the paradigms of how we view the concept of how change is designed, led and measured in business. With the advent of broad integrated business systems that logically define many business relationships, the approach ...

~~Reengineering the Corporation: A Manifesto for Business~~
