BMW check engine light may come on due to something as simple as a loose gas cap, but it can also indicate an expensive engine or transmission problem.

Troubleshooting BMW Check Engine Light & Service Engine Soon

The "Service Engine Soon" light can pop up on your BMW for many reasons. The functions is to alert you to an error or malfunction so you can get the problems fixed before it gets worse. Here is how it Works What you should know is that the "Service Engine Soon" light in your BMW is similar to a "Check Engine" light in some other cars.

HOW TO RESET BMW SERVICE ENGINE SOON LIGHT + reset service ...

The "Service Engine Soon" light in your BMW is similar to a "Check Engine" light in other cars. Your car has a computer which runs diagnostic tests while your car is running. If something comes back faulty or negative, the light comes on.

The Meaning of the "Please Service Engine Soon" Light on a BMW

When the engine light comes on, it should be taken seriously. Take help of automotive specialist. Possible explanations for the engine light coming on may include something as simple as the gas cap not being properly screwed on tight. This can trigger the light to illuminate because the vehicle is detecting an issue with its emissions system. While this issue does not require the help of a professional, it is likely that the problem is more serious.

BMW Service Engine Soon Light is On, Now What? - Pro Car ...

When your BMW 325i "Service Engine Soon" light appears, it's time for routine service such as an oil change. The car's computer system integrates the amount of miles that have been driven with other variables to indicate when your car should be serviced. It's important that this light be reset, so it will illuminate properly the next time you need engine service.

How to Reset "Service Engine Soon" Light on BMW 3 series

Your BMW "service engine soon light" is not the same as the "Check engine light." The check engine light usually indicates a "problem" or a "malfunction" like a bad or faulty part. On the other hand, soon, light illuminates the service engine only when your BMW is due for regular maintenance.

What Does the BMW Service Engine Soon Light Mean? ?

The Service Engine Soon Light means that there is a fault code in your Computer system that controls your engine and emissions system. If you just had fuel put in, check your gas cap first and foremost. Other wise, you will need to have the code scanned and repaired, the light will not go off until the problem is correctly repaired.

How To Reset "Service Engine Soon"Light-BMW 2006 325i ...

The "Service Engine Soon" light indicates that your vehicle is due for its next service maintenance. The light comes on depending on your vehicles service interval. For Volvos it is usually every 5,000 (older models) or 7,500 miles (newer models). For BMWs it is generally every 5,000 or 10,000 miles, depending on your model.

The Difference Between the Check Engine Light and Service ...

The Check Engine light or Service Engine soon light is one of the most misunderstood warning lights on a vehicle dashboard. It could come on from something as simple as a loose or cracked gas cap to a more complex issue, like a problem with the catalytic converter.

Common Reasons the Check Engine Light Comes On and What to Do

I'm guessing I drove, at most, 20 miles for all that. Later on, I went outside to start the car to move it inside the garage, and the "Service Engine Soon" light was on. I do not remember seeing it on when I picked it up, nor when I made all those stops. When I get gas (for either car), I usually insure that the gas cap is on tight.

"Service Engine Soon" Light | Bimmerfest BMW

The Purpose of the Service Light The service light in your BMW plays an important role in keeping you on schedule when it comes to routine service. This light is a simple reminder light that comes on when your vehicle needs an oil change.

Reset BMW Service Light | BMW of Stratham NH

This light typically displays as the words "SERVICE DUE" or "SERVICE ENGINE SOON," and will either be red or yellow in color. In some cars, it may even show as "Service X " or "Service Y " (where X and Y represent specific items in need of service). A good example of this would be the Mercedes-Benz service reminders.
