Karuna is an unusual book that unites scientific and spiritual knowledge, and presents a novel literary technique – Meditagnation – through which the readers meditate while reading and imagining. This technique assists in the internal adjustments that re-establish the flow of life. Presented herein are 38 meditagnations focused on matters concerned with human development, such as: recovering from sexual abuse, exploring past lives, developing healthier relationships, self-compassion and addictions, abundance as a natural flow, self-exorcism, ascension of the kundalini, the power of language, and affinity with money. All the meditagnations work as a unique portal for the renovation of the heart, the integration of the mind, and help promote a blissful experience on this planet. This is a must-have book for anyone who wants to reshape their inner and outer worlds.

Life's But a Game! Go With the Flow! Who am I? Where am I from? Why am I here? Who is God? Does God exist? Where do I find God? What happens when I die? These are the questions being asked by today's teenagers and young adults. And more so now than ever before! We are living in troubled times, troubles not of our teenagers' making. We need to empower our young people with the truth about life, about God and about how this world of ours can be fixed, how the damage already done can be undone. As long-held institutions and beliefs tumble down around us, we need to explain to our young people that life is a game, a game of fun and not to be taken too seriously. We need to explain the rules of the game to our young people, the Spiritual Laws of the Universe, adherence to which promises a life of peace, fulfillment and abundance. Young people are our future, the future rulers of our Planet Earth. It is non-negotiable that they be given the truth! Truth is power! Knowledge is power! This book provides the answers to the questions our young people are constantly asking. This book explains how life is meant to be enjoyed, not lived in a constant pursuit of getting, getting, getting; going, going, going; doing, doing, doing. We are all meant to just be. Armed with the truth and with Spiritual knowledge, our young people can go forth to fulfill their destiny; to return our world to being a world of love, sharing, peace and Oneness with All That is.

Traces the ancient art of hands-on-healing from before the time of Christ to the present. The book explains in simple language how the manifestation of healing transformations takes place by explaining how elemental healing rays emanating from the Creator are channeled through the healer. Healing techniques & concrete examples are given in self-healing, as well as facilitating healing for others, animals & Mother Earth. The chapter on symbols includes exercises on how to use them in healing. There are also chapters on how to use these same elemental rays in magic & Feng Shui (the Chinese art of altering life's circumstances by altering one's environment). Two of the companion videos, HEALING HANDS & SYMBOLS IN HEALING were released before the book & reviewed in the August 1994 issue of BODY MIND SPIRIT magazine. HEALING ANIMALS shows comparative anatomy & corresponding healing techniques. Five audio tapes guide the mediator through exercises discussed in the book. REIKI & OTHER RAYS OF TOUCH HEALING has been reviewed by several new age publications & is available through the following distributors: Baker & Taylor 1-800-233-3657, Bookpeople 1-800-684-0431, New Leaf 1-800-430-0501, Moving Books, Samuel Weisser 1-800-423-7087 & DeVoss & Co.
