"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

"The story of David is the greatest single narrative representation in antiquity of a human life evolving by slow stages through time, shaped by the pressures of political life, family, the impulses of body and spirit, and the eventual sad decay of the flesh. In its main character, it provides the first full-length portrait of a

Machiavellian prince in Western literature."--BOOK JACKET. "The beautiful, musical David, loved by all, resourceful slayer of Goliath, is revealed through his life to be a calculating political animal. To advance his own cause, he becomes a collaborator with the archenemies of Israel, the Philistines. Later he commits adultery with Bathsheba, and compounds the betrayal with murder. But through the author's empathy and skill, David also emerges as a fully realized character, a man of passion and intelligence who navigates the ambiguities of belief, loyalty, ambition, temptation, and circumstance with uneven success."--BOOK JACKET.

One of the great characters of the Bible, and literature, is rendered fully in a new translation that includes historical and literary commentary

Chronicles the ancient history of Israel and its prophets, from Samson to Elijah.

From award-winning comedian, director, writer, and producer David Steinberg comes the totally original, utterly blasphemous, and hysterically funny memoir of a young man who emerged from a traditional Jewish childhood to become an international star -- all because, it seems, he kept God in stitches. David Steinberg was raised in Winnipeg, Canada, by parents who expected little from him. And no wonder. Instead of studying Talmud in order to become a rabbi, he chose to major in Martin and Lewis with a minor in basketball. As David imagines the story of his life (since his success otherwise makes no sense), God one day spotted him on the playground and decided

Read PDF The David Story A Translation With Commentary Of 1 And 2 Samuel

that this young man with no ambition could go far with His help. Sure enough, God soon had David on network TV and Broadway, and selling out nightclubs across the country -- as well as being pursued by hot starlets. The Book of David is David Steinberg's hilarious trip down memory lane, assuming that the lane has a biblical address. This wild riff on the Old Testament is guaranteed laughter.

"A modern classic....Thrilling and constantly illuminating."—Michael Dirda, Washington Post Book World Through a distinguished career of critical scholarship and translation, Robert Alter has equipped us to read the Hebrew Bible as a powerful, cohesive work of literature. In this landmark work, Alter's masterly translation and probing commentary combine to give contemporary readers the definitive edition of The Five Books. Winner of the PEN Center USA Literary Award for Translation and the Koret Jewish Book Award for Translation, a Newsweek Top 15 Book, Los Angeles Times Favorite Book, and San Francisco Chronicle Best Book.

The five poems composing the book express Israel's sorrow, brokenness, and bewilderment before God."--BOOK JACKET.

A stunning new translation—"the best in a century, without a doubt"—of the Hebrew Bible that restores the creativity and poetry of the original text (New Republic). Whether rendering the Bible as wondrous or as strangely familiar, David Rosenberg's "brilliant" and "truly fresh" translation forces us to ask again—and at last in literary terms—why the Bible

Read PDF The David Story A Translation With Commentary Of 1 And 2 Samuel

Remains A Crucial Foundation of Our Culture (Booklist).

Until today, translators have presented a homogeneous Bible in uniform style—even as the various books within it were written by different authors, in diverse genres and periods, stretching over many centuries. Now, Rosenbergs artful translation restores what has been left aside: the essence of imaginative creation in the Bible. In *A Literary Bible*, Rosenberg presents for the first time a synthesis of the literary aspects of the Hebrew Bible—restoring a sense of the original authors and providing a literary revelation for the contemporary reader. Rosenberg himself brings a finely tuned ear to the original text. His penetrating scholarship allows the reader to encounter inspired biblical prose and verse, and to experience each book as if it were written for our time.

In this retelling of one of the great Biblical stories, King Solomon commissions Ethan the Scribe to write the official history of King David. But Ethan finds another life behind the curtain that divides the past from the present--the story of a David who seduced, lied, bragged, and plundered his way to power. Ethan faces a dilemma. Which life should he write about?

"[Here is] the Genesis for our generation and beyond."—Robert Fagles *Genesis* begins with the making of heaven and earth and all life, and ends with the image of a mummy—Joseph's—in a coffin. In between come many of the primal stories in Western culture: Adam and Eve's expulsion from the garden of Eden, Cain's murder of Abel, Noah and the Flood, the destruction of Sodom and Gomorrah, Abraham's

Read PDF The David Story A Translation With Commentary Of 1 And 2 Samuel

binding of Isaac, the covenant of God and Abraham, Isaac's blessing of Jacob in place of Esau, the saga of Joseph and his brothers. In Robert Alter's brilliant translation, these stories cohere in a powerful narrative of the tortuous relations between fathers and sons, husbands and wives, eldest and younger brothers, God and his chosen people, the people of Israel and their neighbors. Alter's translation honors the meanings and literary strategies of the ancient Hebrew and conveys them in fluent English prose. It recovers a Genesis with the continuity of theme and motif of a wholly conceived and fully realized book. His insightful, fully informed commentary illuminates the book in all its dimensions.
