Look at the future of persecution. One day soon the only refuge for the faithful may be Space. Follow a desperate couple fighting isolation and equipment malfunction to pilot a gas-collecting balloon ship to the outer planets. Michael, crown prince of the Space Empire hopes to save his people from external attack with an internal rebellion and a battle cruiser like no other. His plans are shaken by a forbidden romance, political turmoil, and the discovery of Earth's Fourth Empire. Michael and his best friend Randolph might save or shatter the Space Empire's last hope for the future.

Spencer Bishop's past was nothing more than a falsified case of fake memories. Every birthday, holiday, and special moment was changed in order to protect her from evil. Aiden, the lover who was erased with her other memories, came back into her life and caused her to question reality and figure out who she was. After an act of bravery, Spencer was granted her memories back. Aiden, her true love and the Angel's in Heaven desired for her to see her true destiny and fight evil. Can Spencer defeat the evil before it destroys her and Heaven?

The first in an epic, highly acclaimed trilogy from an Argentinian fantasistIt is known that the strangers will sail from some part of the Ancient Lands and will cross the Yentru Sea. All our predictions and sacred books clearly say the same thing. The rest is all shadows. Shadows that prevent us from seeing the faces of those who are coming. In the House of Stars, the Astronomers of the Open Air read contradictory omens. A fleet is coming to the shores of the Remote Realm. But are these the long-awaited Northmen, returned triumphant from the war in the Ancient Lands? Or the emissaries of the Son of Death come to wage a last battle against life itself? From every village of the seven tribes, a representative is called to a Great Council. One representative will not survive the journey. Some will be willing to sacrifice their lives, others their people, but one thing is certain: the era of light is at an end.

"Three date max" is all Doug Bader ever wanted in a relationship. But sometimes fate can put a wrench an attorney's playboy lifestyle. "Atlanta's Most Eligible Bachelor" by Mia Mae Lynne tells the story of how Doug's commitment free world unravels when he crosses paths with Lisa Dunbar.

Valjean thought about how impossible it seemed that there was another world out there from which he had narrowly escaped. A world of manticores and cave fiends, magic swords and potions, spirit mages and necromancers. Wizard-monks who could shatter walls with their fists, a city of colored spires so beautiful it took his breath away . . . and a world in which Val's brothers were still trapped. Desperate to help his brothers, high-powered attorney Val Blackwood manages to find a way to return to the world of Urfe. After landing in the dangerous underbelly of New Victoria, he concludes that the only way to find Will and Caleb is to enroll in the Abbey-the school for wizards-and somehow gain access to a portal called the Pool of Souls. Yet to succeed, he not only has to pass the entrance exam and survive the rigors of the school, considered the most demanding in all the Realm, but also avoid a lethal assassin targeting students. As Val struggles to survive, his brothers undergo an even deadlier trial. Reeling from the loss of Mala, an adventuress lost in the mysterious Place Between Worlds, Will and Caleb and Yasmina are captured by slavers and taken to the mines beneath Fellengard Mountain. Even if they manage to escape, a feat no one has ever accomplished, they must still find their way out of the vast and untamed caverns of the Darklands. A place even the wizards fear. Trapped in a land of dreams and nightmares, the brothers must somehow stay alive and learn to adapt to their new surroundings-or risk losing their home world forever.

Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.
