Press-ups are one of the main exercises to treat back pain: Begin by laying flat on your stomach with your elbows bent and your hands flat on the ground under your shoulders. Keep your back and hips relaxed, and then use your arms to press your upper back and shoulders up (similar to the upward dog yoga pose).

The treatment could pretty much be summarized as "lie on your tummy and do push ups". If
it helps, keep doing them. Generally very simple and readable, and worth a try if you've got a
bad back. I know physios have been recommending this book for years, so it must be OK.
