Walden and other writings: Thoreau, Henry David ...

About Walden and Other Writings Henry David Thoreau's vision of personal freedom is indelibly etched on the American consciousness. 'We need the tonic of wildness,' Thoreau wrote in Walden, and by turning his back on town amenities to build a house on Walden Pond in 1845, he helped shape our notions of the individual, subsistence, and a moral relation to nature.

Walden and Other Writings by Henry David Thoreau ...

Henry David Thoreau (born David Henry Thoreau) was an American author, naturalist, transcendentalist, tax resister, development critic, philosopher, and abolitionist who is best known for Walden, a reflection upon simple living in natural surroundings, and his essay, Civil Disobedience, an argument for individual resistance to civil government in moral opposition to an unjust state.

Walden and Other Writings by Henry David Thoreau

Henry David Thoreau (1817-1862) was an American author, poet, philosopher, abolitionist, naturalist, tax resister, historian, and leading transcendentalist, best known for Walden, a reflection upon simple living in natural surroundings, and his essay Resistance to Civil Government (also known as Civil Disobedience), both of which are included. also in this volume are A Week on the Concord and Merrimack Rivers; Cape Cod; The Allegash and East Branch; Walking; Slavery in Massachusetts; A Plea ...

Walden (/ ˈ w ɔː l d ɪ n /; first published in 1854 as Walden; or, Life in the Woods) is a book by American transcendentalist writer Henry David Thoreau. The text is a reflection upon simple living in natural surroundings. The work is part personal declaration of independence, social experiment, voyage of spiritual discovery, satire, and—to some degree—a manual for self-reliance.

Walden - Wikipedia

I enter a swamp as a sacred place, a sanctum sanctorum.... I seemed to have reached a new world, so wild a place...far away from human society. What's the need of visiting far-off mountains and bogs, if a half-hour's walk will carry me into such wildness and novelty." ? Henry David Thoreau, Walden and Other Writings.

Walden and Other Writings Quotes by Henry David Thoreau

With their call for "simplicity, simplicity, simplicity!", for self-honesty, and for harmony with nature, the writings of Henry David Thoreau are perhaps the most influential philosophical works in all American literature. The selections in this volume represent Thoreau at his best. Included in their entirety are Walden, his indisputable masterpiece, and his two great arguments for nonconformity, Civil Disobedience and Life Without Principle.

---

Walden and Other Writings by Henry David Thoreau ...

I find it incredibly difficult to understand why so many people praises Walden, Civil Disobedience, and Other Writings by Henry David Thoreau because of the following: First of all, Thoreau appears to have had double standards; he praises his life in the woods of Walden like something glorifying, like it almost turned him into some kind of Messiah, yet he does not recommend this nature soft of life to others.

Thoreau's Writings | The Walden Woods Project

WALDEN AND OTHER WRITINGS OF HENRY DAVID THOREAU. Edited, With An Introduction, by Brooks Atkinson. Foreword by Townsend Scudder.

With their call for "simplicity, simplicity, simplicity!", for self-honesty, and for harmony with nature, the writings of Henry David Thoreau are perhaps the most influential philosophical works in all American literature. The selections in this volume represent Thoreau at his best. Included in their entirety are Walden, his indisputable masterpiece, and his two great arguments for nonconformity, Civil Disobedience and Life Without Principle. A lifetime of brilliant observation of nature--and of himself--is recorded in selections from A Week On The Concord And Merrimack Rivers, Cape Cod, The Maine Woods and The Journal.

In addition to the texts of 'Walden' and 'Civil Disobedience', this revised and expanded 'Norton Critical Edition' reprints the increasingly important works 'Slavery in Massachusetts', 'Walking' and 'Wild Apples'. All texts are accompanied by annotations.

One of the most influential and compelling books in American literature, Walden is a vivid account of the years that Henry D. Thoreau spent alone in a secluded cabin at Walden Pond. This edition--introduced by noted American writer John Updike--celebrates the perennial importance of a classic work, originally published in 1854. Much of Walden's material is derived from Thoreau's journals and contains such engaging pieces from the lively "Where I Lived, and What I Lived For" and "Brute Neighbors" to the serene "Reading" and "The Pond in the Winter." Other famous sections involve Thoreau's visits with a Canadian woodcutter and with an Irish family, a trip to Concord, and a description of his bean field. This is the complete and authoritative text of Walden--as close to Thoreau's original intention as all available evidence allows. This is the authoritative text of Walden and the ideal presentation of Thoreau's great document of social criticism and dissent.

Thoreau's sojourn in the wilderness

A Book that Transformed America "Friendship is first, Friendship last. But it is equally impossible to forget our Friends, and to make them answer to our ideal."- Civil Disobedience, Henry David Thoreau Civil Disobedience was Thoreau's first published book and continues to transform American discourse. It is unusual for its symbolism and structure, its criticism of Christian institutions, and its many-layered storytelling. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes.

Walden (first published in 1854 as Walden; or, Life in the Woods) is a book by American transcendentalist writer Henry David Thoreau. The text is a reflection upon simple living in natural surroundings. The work is a part personal declaration of independence, social experiment, a voyage of spiritual discovery, satire, and-to some degree-a manual for self-reliance.

When I wrote the following pages, or rather the bulk of them, I lived alone, in the woods, a mile from any neighbor, in a house which I had built myself, on the shore of Walden Pond, in Concord, Massachusetts, and earned my living by the labor of my hands only. I lived there two years and two months. At present I am a sojourner in civilized life again. I should not obtrude my affairs so much on the notice of my readers if very particular inquiries had not been made by my townsmen concerning my mode of life, which some would call impertinent, though they do not appear to me at all impertinent, but, considering the circumstances, very natural and pertinent. Some have asked what I got to eat; if I did not feel lonesome; if I was not afraid; and the like. Others have been curious to learn what portion of my income I devoted to charitable purposes; and some, who have large families, how many poor children I maintained. I will therefore ask those of my readers who feel no particular interest in me to pardon me if I undertake to answer some of these questions in this book. In most books, the I, or first person, is omitted; in this it will be retained; that, in respect to egotism, is the main difference. We commonly do not remember that it is, after all, always the first person that is speaking. I should not talk so much about myself if there were anybody else whom I knew as well. Unfortunately, I am confined to this theme by the narrowness of my experience. Moreover, I, on my side, require of every writer, first or last, a simple and sincere account of his own life, and not merely what he has heard of other men's lives; some such account as he would send to his kindred from a distant land; for if he has lived sincerely, it must have been in a distant land to me. Perhaps these pages are more particularly addressed to poor students. As for the rest of my readers, they will accept such portions as apply to them. I trust that none will stretch the seams in putting on the coat, for it may do good service to him whom it fits.

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened,

outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.
